TCEB is the community platform for volunteer environmental activism. Through combined and coordinated efforts our educational and hands-on programs turn simple acts into regional change. Working together we create a healthy, vibrant, and environmentally just community.

Thank you for your donations and support! Your gifts enable us to continue our vital work and we are grateful for your support.

The Board of Directors and staff of TCEB are committed to creating a clean, green, vibrant, and just community.

Litter and illegal dumping can have a significant impact on the environment. Together we can work to reduce these problems and protect our environment. We encourage you to join us in 2018 as we embark on a ambitious 5-year plan to eradicate littering and illegal dumping.

Together we are working to make our streets and neighborhoods cleaner and safer.

The Board of Directors is excited to share our progress and achievements in 2017.

Thanks to our many, many supporters. Our programs rely on TCB volunteers, members, donors, sponsors and partners; everyone who chips in makes our community better. See our website for a complete list of Members, Adoption Groups, and Donors.

**Urban Forestry**
Trees for Tucson builds healthy, safe, accessible communities by expanding the urban forest and planting trees and green infrastructure. Join us for a tree planting event!

**Stewardship**
Enthusiastic, supporting and recognizing volunteers and civic engagement through stewardship of public spaces. Adopt a Space in your neighborhood!

**Stormwater Harvesting**
Help grow green streets and healthy, beautiful public spaces. Apply for a City of Tucson Water Department stormwater harvesting grant for your neighborhood today.

**Rooted in the Community**

**Reduce, Reuse, Recycle**
Conserving resources is a way of life. Our programs educate, encourage, and celebrate individual and community waste reduction efforts. Make waste reduction part of your daily life!

**Buffelgrass**
The rapid spread of buffelgrass is an ecological and economic issue. Help eradicate buffelgrass. Get involved, Beat Back Buffelgrass Month kicks off January 27!

**Training & Workshop Programs**
Our training program provides a path of purpose and accomplishment while helping participants gain skills necessary for employment. Workshops empower neighbors in care for their community. Attend a workshop today, or volunteer your talents to help teach our classes!
