TCB Urban Forest Forester

Reports to: Neighborhood Tree Planting (NTP) Manager
Type of position: Part time, 10 to 20 hours per week

Tucson Clean & Beautiful is an environmental non-profit that plants thousands of trees and supports hundreds of volunteer-based environmental action projects throughout the Tucson community each year. Join our small but mighty team and learn to plan for, identify, plant and care for urban trees. This is a field-based position with extended periods outdoors in the urban environment. Bring your energy and enthusiasm to our active, passionate team and help us grow a greener and more resilient Tucson.

Responsibilities:

Perform Neighborhood Tree Planting tasks, including:

- assist with neighborhood outreach and canvassing
- assist with site blue staking
- attend neighborhood and public tree planting events on Saturdays, Tuesdays and Thursdays
- assist with tree deliveries

Requirements:

- Good communication skills, willing to talk to community members
- Capable of physically demanding and active field schedule
- Positive and kind attitude
- Willing to learn and apply new skills
- Passion for trees and the environment
- Bilingual preferred, not required

Compensation:

$17/hour, plus 5 paid holidays and 3 weeks (prorated) paid vacation.
This is a grant-funded position, through April 2027.

Please respond promptly and submit a thoughtful email response and resume to TCB@tucsoncleanandbeautiful.org
